

LWCC-DC305

Product Characteristic

• Material:	Plastic PA66	• Type of protection:	IP66
• Motor type:	BLEC Motor	• Insulation class:	F
• Operation temperature:	-40°C~+60 °C		
• Technical features:	Tech output,Locked-Rotor protection,Reverse Polarity,Over-voltage protection Soft Start Protection		

Technical Specifications

Model	Voltage (V)	Control Input	Air Pressure (Pa)	Air Volume (m³/h)	Speed (RPM)	Power (W)	Current (A)	Noise [dB(A)]
LWCC-DC305MB-23	24	DC 10V	436	2951	3340	223	9.29	/
